C/Cllr Kiddle-Morris had submitted a written report and, in respect of the devolution deal, Council agreed to respond that they did not fully understand the issues and cannot make a judgement.

D/Cllr Atterwill reported that things were quiet in Breckland with the Community Grant Scheme and the Rural Prosperity Fund both currently delayed.

He said the five-year land supply remained in place and the Local Plan continued through the review process.

Many officers are working from home and it is a challenge to speak to anyone and to get any information.

Cllr O’Brien reported that the unit had failed recently but had now been upgraded with a new battery and pads and was fully functional once again.

**12. To receive an update regarding the proposed Village Appraisal.**
